## About me

Hi! I am M.A. Mohamed, a web designer/developer focused on crafting great web experiences. Designing and Coding have been my passion since the days I started working with computers but I found myself into web design/development since 2021. I enjoy creating beautifully designed, intuitive and functional websites, and support **iOS** and **Android** applications together with mobile admin panels.

## Projects

### Web development

Website: <http://aasimmohamed.gq/>

- I have used HTML, CSS and JavaScript to create this website.
- It took 5 days to create this website.
